

Clothing Policy

In striving to create a positive environment for all members of our camp community, staff and campers should bring clothes that are appropriate to a Bible camp setting. Staff and campers should avoid bringing clothes that exhibit offensive, inappropriate, or discriminatory messages or images. Clothing (including swimwear) must allow staff and campers a full range of motion—sitting, bending, reaching, running, rescuing etc - without requiring perpetual readjustment. The individual should feel comfortable, and clothing should not pose a distraction to the wearer during camp activities.
