## Clothing Policy

In striving to create a positive environment for all members of our camp community, staff and campers should bring clothes that are appropriate to a Bible camp setting. Staff and campers should avoid bringing clothes that exhibit offensive, inappropriate, or discriminatory messages or images. Clothing (including swimwear) must allow staff and campers a full range of motion—sitting, bending, reaching, running, rescuing etc - without requiring perpetual readjustment. The individual should feel comfortable, and clothing should not pose a distraction to the wearer during camp activities.

## Camp store, Canteen and Store Card

Campers will have an opportunity to go to the camp store or canteen. The camp store has a variety of souvenirs and camp clothing, postcards and stamps.

Money can be added online at [campwapo.org](http://campwapo.org) or at camper check-in. No cash should remain with the camper during their time at camp. Purchases made by the camper are deducted from their store card. Unused store card money will be applied to any outstanding balances or refunded to your credit card/echeck. If no credit card/echeck information is on file, a paper check will be issued and mailed to your home address. Any balance under \$3 will be donated to scholarship fund.

The camp store is open during camper check-in 6:45 pm—7:45 pm.

## First Aid and Medications

The State of Wisconsin and ACA require that we collect and manage all medications when campers are present at camp. Medications can only be distributed under specific directions.

- Prescription Medications **MUST** be in the original pharmacy labeled container or the original manufacturer's container.
- Prescription medications **MUST** have the attendee's name on the package or bottle.
- Any doctor's office samples **MUST** be accompanied by a signed physician prescription.
- Our Health Center provides most basic over the counter medications. Please do not send these to camp.
- If your attendee takes a **daily** over the counter (OTC) medication (Zyrtec, Melatonin, etc.), please send medication in original packaging with dosing instructions.
- **Provide only enough of each medication to last the entire time the attendee will be at camp.**

More information about first aid can be found at [campwapo.org](http://campwapo.org) on the downloads page.

## Lost and Found

Make sure to label all items with your camper's name. There's nothing we like better than being able to return things to their owner! Lost and found items are kept at camp until December 1st when they are donated to a local charity. Please call the office at 715.268.8434 as soon as possible so we can be on the look out for any lost items.

## Buddy/Roommates

Campers are able to request up to 2 cabin buddies for their stay at camp. We do our best to guarantee that your camper is with at least one of those buddies. We strive to assign campers to cabins by church and similar grade level. You can review or add buddies by logging into your account at [campwapo.org](http://campwapo.org). We start cabin assignments in October so submit requests soon.

## Arriving at Camp

Ignite check-in is 6:45 pm—8 pm Friday November 1st. Due to the short time at camp and limited capacity no late arrivals for Ignite.

All campers will check in at Old Chapel before moving in to assigned cabin. During check in, staff will do the required health screening, collect all medications, collect store card money, and you will find out what cabin you are in. **Please bring all meds and money to check-in with you.**

After check-in you can grab all your belongings and move in to your cabin. Your counselors will be at your cabin to greet you and help you get settled in.

## Parent Information:

Giving your child to the care of other people is perhaps the greatest act of trust you as a parent can give. Our top priority is to do everything we can to ensure that your child/children will have the safest, most fun and faith filled experience possible while at camp. We are an American Camping Association accredited camp and we work closely with our local and state authorities to provide the safest environment possible for our guests.

We offer a **daily blog** for parents and families to see what is happening at camp throughout the weekend. **[www.wapobiblecamp.com](http://www.wapobiblecamp.com)**. Our staff updates the blog daily so check it often for a glimpse into all the FUN that is happening at camp.

## Illness or Accident

Our healthcare staff are on duty 24 hours a day. Records of medications, and their distribution along with treatment are logged by the health care staff.

If there is an emergency or serious illness parents will be contacted by camp staff. When necessary, the Amery hospital and clinic is located less than 5 miles from camp.

## Severe Weather

We have designated storm shelters for all of our guests and protocols in place if severe weather occurs. Weather conditions are carefully monitored. We will notify parents when appropriate via email, phone or Facebook. Please don't call camp during a storm, we need to keep our phone lines open in case of an emergency.
