IS THIS FOR ME?
Yes, this program is for everyone! Tell us about your group, and we’ll help you create the perfect adventure. A great way to experience the boundary waters with your family, and friends. We can plan, prep and safely lead a canoe trip, or provide retreat and island camp activities at the canoe base itself. How long you stay is up to you! Our staff are excited to help you create an experience that fits your summer plans.

VACATION WITH A PURPOSE
This is ideal for families looking to vacation together, women’s or men’s groups, parent-child, church friends, neighbors, or grandparents and grandkids. The many options for your time include: paddling introduction, swimming, berry picking, fishing, canoe trips or day trips, campfires, Bible studies, Vespers services, games, nature hikes, kids activities, Labyrinth meditation, orienteering course, overnights on our tent pads, saunas, portaging, rock-climbing, quiet time, and much more. For groups of all sizes - we can have options for everyone at once, or chances for individuals to mix & match their activities.

How to Plan Your Week
Now that you are ready to plan your stay, contact camp so that we can find dates that work for you and your group. If it’s a canoe trip you’re excited about - we’ll get your permit reserved and start discussing what to pack and what kinds of program needs you are looking for. If you’re looking for time for rest and rejuvenation, we can be sure to make time and space for that. Once you arrive at Wilderness, you will spend time with the WCB staff to determine how you’d like to spend your week, what type of program you’d like to have, and how we can best make your time at Wilderness exactly what you are hoping for!

The BWCAW is a unique and pristine place, home to moose, black bear, and loon, gorgeous lakes and waterfalls, and brilliant sunsets. Time at WCB offers unparalleled opportunities to enjoy this untouched wilderness. "Kids" of all ages are a welcome part of our Wilderness community. Come join us this summer!
