About the Week

This program provides Senior High youth an opportunity to grow in faith and leadership skills by working with younger campers. Those participating in the Servant Leadership Program (SLP) will be housed in Wapo youth cabins and trained to assist Wapo counselors in leading a variety of activities by being coached and challenged by an SLP counselor. SLP-ers will gather each day to connect with each other and the SLP Coordinators while exploring both biblical and personal leadership. This experience is ideal for those demonstrating maturity, commitment and joy in working with younger kids.
