### What will I do at Horse Club?

The first 20 campers to register will head out to our Ox Lake Bible Camp site on Tuesday or Wednesday afternoons for a 3 hour session. You will get to pretty up your horse by brushing and grooming; braiding its mane and adding some fun glitter or paint if you choose. We will spend time learning about a variety of topics about parts of the horse or tack, breeds, colors or markings. You will also learn horses have a large appetite and you might get the chance to help put out hay. After the ride, you will help un-tack your horse and walk them out to the pasture. We will also take a picture of you with your horse, and you can take a snapshot home as a keepsake.

**Note:** 7-9<sup>th</sup> Graders will go horseback riding with their cabin once during the week. Horse Club would be in addition to that experience. Also, please know that by signing up for Horse Club, your child will miss one afternoon of free time.
