Requirements for a Qualified Charitable Distribution (QCD)

- Donors must be age 70 ½ or older at the time the gift is made to a qualified charity (like Lake Wapogasset Lutheran Bible Camp, Inc).
- Up to \$100,000 may be transferred from an IRA by December 31 (Married couples who each have an IRA can give up to \$100,000 from each).
- A QCD also qualifies for the Required Minimum Distribution (RMD) of an IRA owner.
- A QCD gift needs to be an outright gift with no benefits coming back to the donor.
- A QCD can be made from a traditional IRA.
- A QCD gift provides tax savings to the donor even if they do not itemize deductions.

How to proceed with a gift

- Check with your tax advisor to see if a gift from your IRA is appropriate for your situation and how to proceed.
- Email or call and let us know to expect your gift. If we can be watching for your gift to arrive, we can quickly attribute it to you. 715-268-8434 or jenh@campwapo.org (sample letters are available if needed)

The benefits of a gifting an IRA Qualified Charitable Distribution

- You can make a tax-favorable gift from an IRA without waiting until the end of life.
- Fulfill the IRA required minimum distribution.
- You can give over and above the 60 percent Adjusted Gross Income (AGI) limit without having to carry deductions forward into subsequent years
- Distributions are not recognized as income, so they do not contribute to taxation of your Social Security benefits if your level of income subjects you to such taxes
- You get a tax benefit even if you use the standard deduction instead of itemizing deductions
